

Important Information Regarding Scholarships

About Scholarships

The Art Center offers scholarship opportunities to students, adults and children, who demonstrate a financial need and an interest in the arts. While other factors are taken into consideration, scholarships are strictly assigned on the basis of financial need.

Deadline

The deadline for submitting an application is March 31, 2010. Applications submitted beyond the deadline date will not be considered. If all application materials are not received on time the scholarship cannot be granted without exception. Space in class may not be held while application is in process. Funds are limited and will be dispersed on a first come, first serve basis.

Eligibility

If you are already enrolled in a course, you may not submit a scholarship for any additional courses within the semester the scholarship is granted. Likewise you can not register for a class after accepting a scholarship within the same semester. You may not apply for scholarship more than two semesters with in a fiscal year. You can apply for scholarship for more than one child.

Applying for Scholarship*

To be considered for a scholarship all fields of the enclosed application must be completed and returned to the Art Center along with the following materials: a recent tax form or pay stub, a registration form, a personal letter and a letter of support. ***Please Note:** Applications will be returned and/ or postponed, if any of the above items are missing or incomplete.

Processing Procedures

Scholarships will be collected until the deadline date, afterwhich all scholarships will be veiwed collectively.

Payment Procedures

Scholarships cover tuition only. Recipients are responsible for any supplies or supply fees associated with class. If receiving a scholarship, any balance must be paid at the time of registration. Registration must be finalized within 5 days of notice, failure to do so will result in loss of scholarship and space in class will not be held.

Registration Policies

Scholarships (and scholarship applications) can not be transferable from one class to another (except in a situation where a selected class is cancelled by the Art Center and amount may be adjusted accordingly). Scholarships can not be transferable from semester to another semester.
