Typical Day at Camp: Ages 5-9

Camp will be broken into age groups, 5 - 6 and 7 - 9, with a low teacher to camper ratio, so campers will get individualized instruction in a supportive environment. The vibe is social, encouraging and fun!

Typically, campers will read a story, create projects with instruction from their teaching artist, get moving with short breaks for guided physical activity or stretching, and share in a creative experience with friends.

Caregivers are encouraged to participate!
